

San Jose Earthquakes Vs. the Columbus Crew

Wednesday, September 8th

It was all smiles at San Jose's Spartan Stadium as Vince cozies up to (from l-r) CHP Officer Les Bishop, OTS Coordinator Leslie Witten-Rood and CHP Officer Braulio Mendieta at the OTS booth.

Sometimes being a dummy has its perks! Larry poses with a group of soccer fans before the start of the exciting game.

OTS Coordinator Leslie Witten-Rood helps three young fans with their glo pens as Mom and Dad look on. Parents and children alike can learn about new laws and get safety tips from the traffic safety questions on the OTS scratchers.

CHP Officer Les Bishop helps an Earthquakes fan with a specific question about blood alcohol level (BAL).

The San Jose Earthquakes gear up for an exciting game against the Columbus Crew.

OTS and the Crash Test Dummies are invited onto the field along with the Earthquakes mascot for the official coin toss signaling the start the game. And it's the Earthquakes ball!
